

HOUSE OF RACQUET
events

About us

House of Racquet is a modern, inclusive padel and social wellness club in Tileyard, Kings Cross. We are the UK's first female-founded padel brand, designed to be inclusive, balanced, and welcoming.

Whether you are a creative director, a tech founder, a student, or just someone looking to reincorporate some play into your daily life - you are welcome here.

We run daily coaching, fitness classes and social leagues for all levels, alongside tournaments and corporate events designed to bring people together through play.

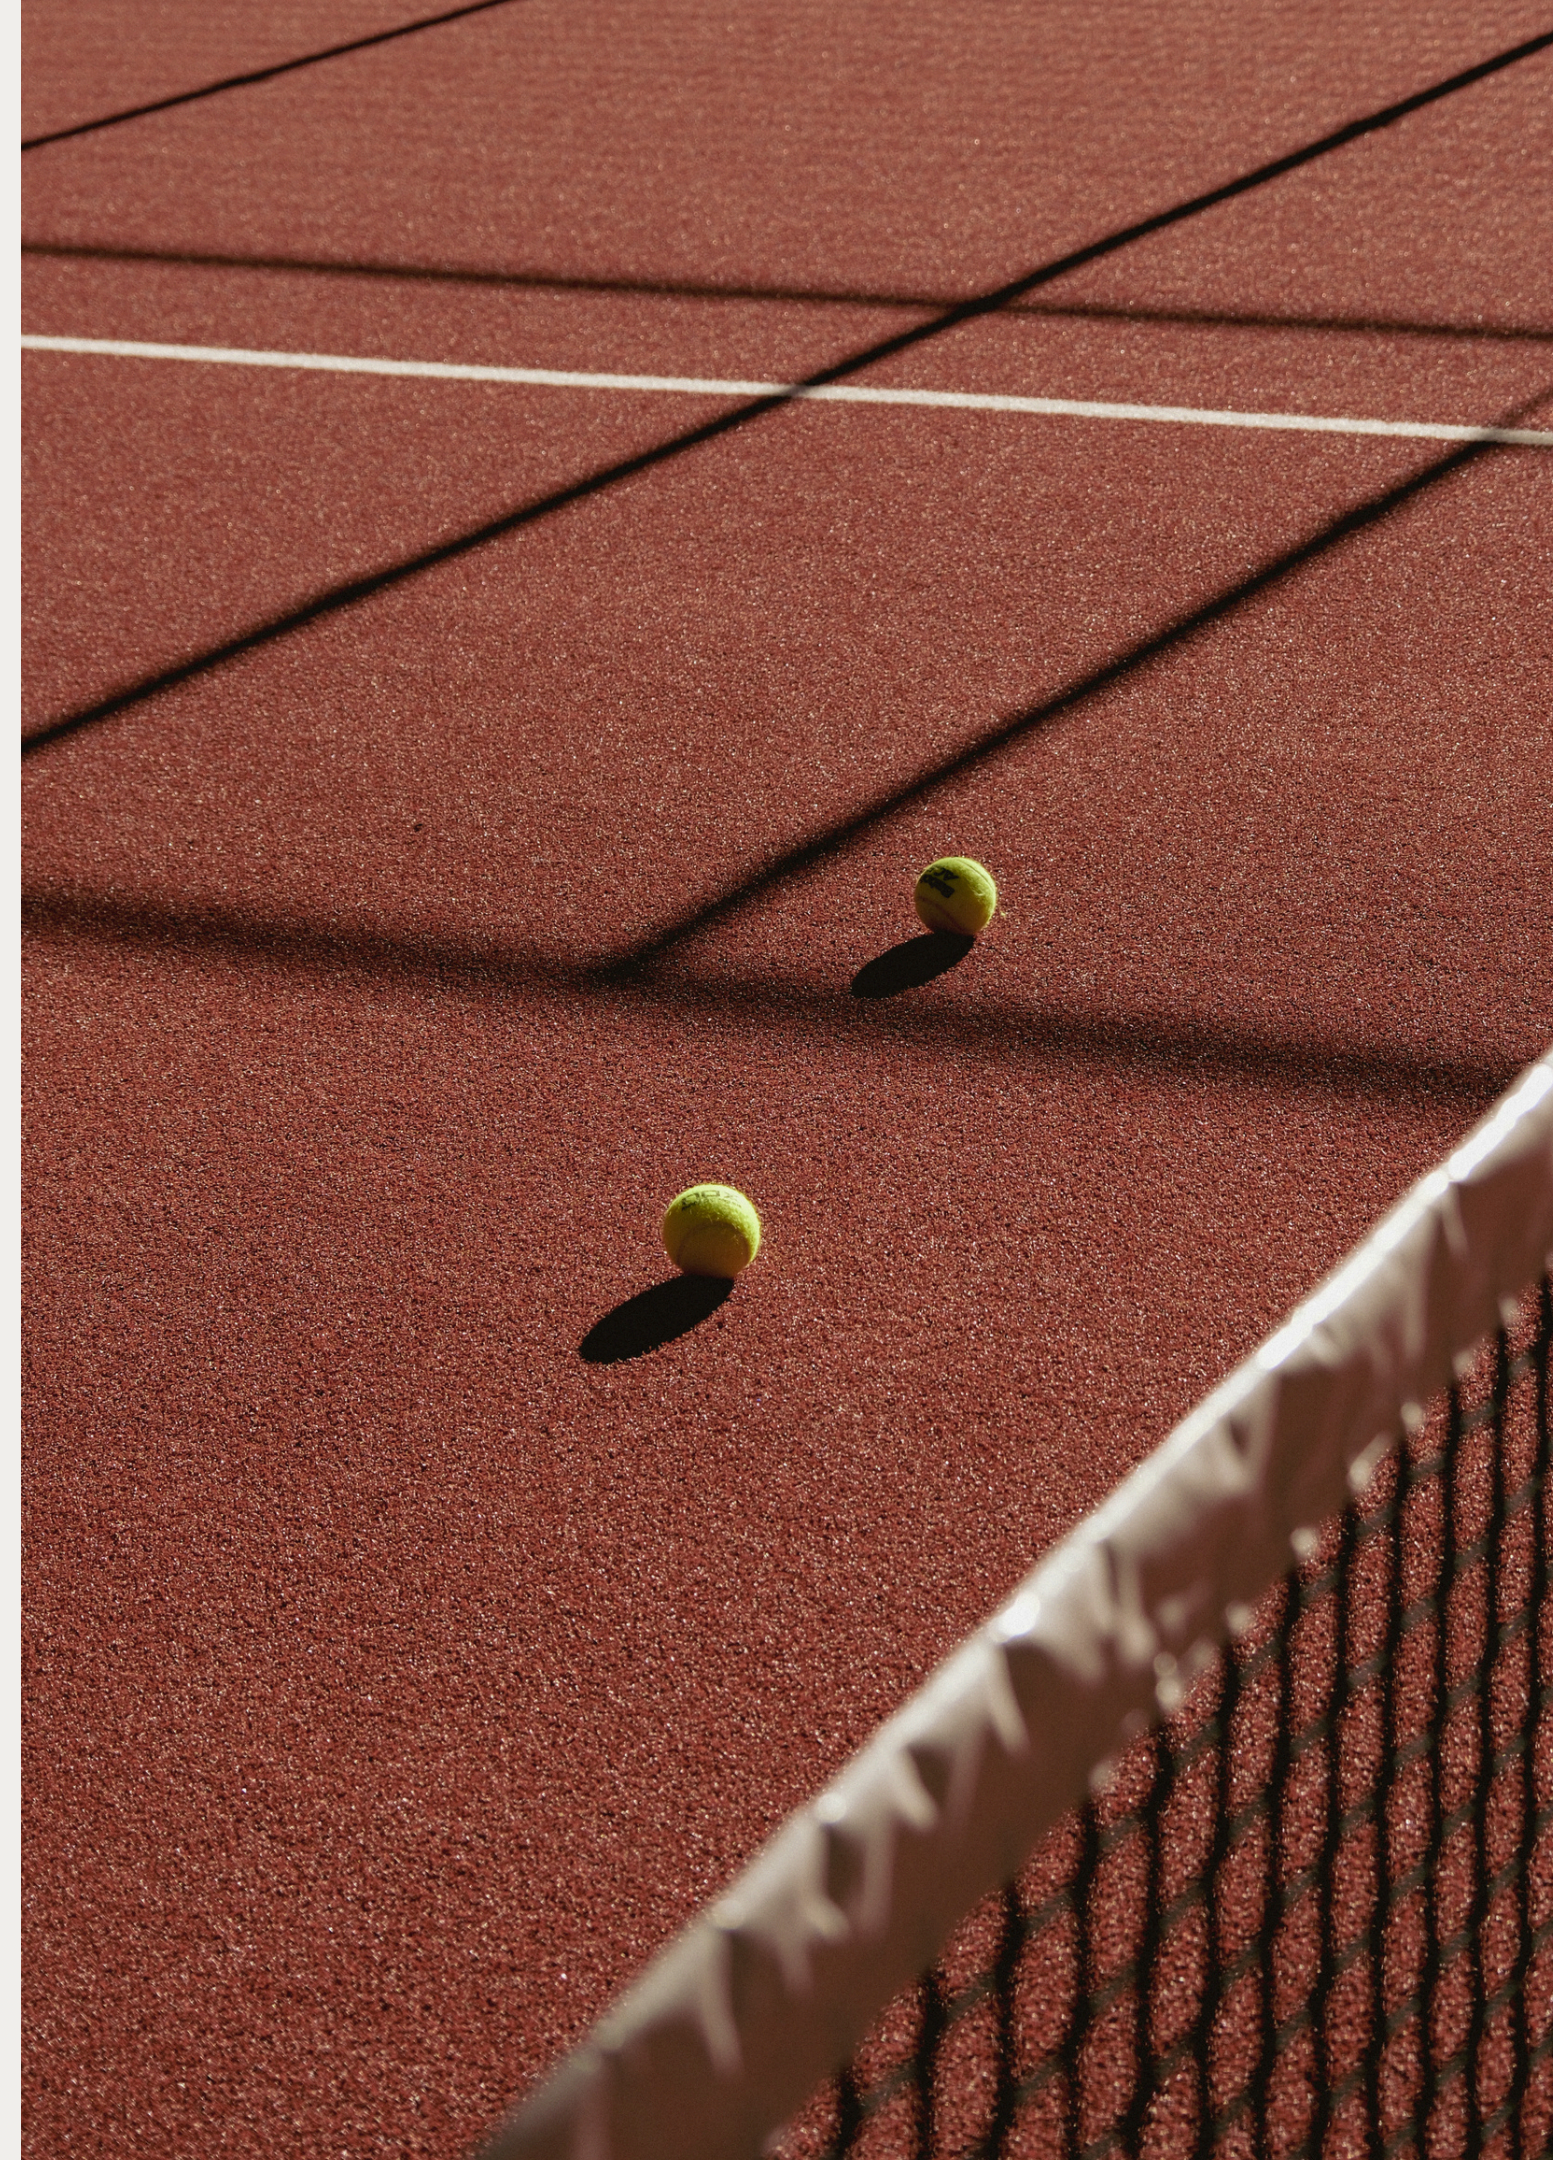

Off the courts, our clubhouse hosts curated talks, cultural programming, community socials and private supper clubs, blending sport, art, music and conversation under one roof.

From corporate wellness days to birthday parties, and brand activations, or full House Takeovers - our clubhouse team is ready to bring your event to life.

Our House

N7 9AH

The courts

4 covered courts designed for social play. We're the only padel club in London to offer personalised performance analysis and progress tracking, powered by [Clutch](#).

The Clubhouse & summer terrace

Stay for a meeting, a post-match espresso or a spicy margarita. Quality coffee by our partner and social enterprise [New Ground](#), and carefully chosen nutrition and refreshments to fuel your game and your recovery, by our resident chef.

The Pro Shop

We offer best-in-class padel equipment in partnership with ProDirect, from performance brands including Nox, Adidas, Babolat and Wilson. You can rent racquets for your time on the court, or speak to one of our coaches about a demo session.

The Retail Edit

We've chosen a selection of brands to stock in the clubhouse, focusing on female-founded, emerging & independent British brands including wellness from Sisterly, 39 B.C. and Verden, performance apparel by One Bounce, and bespoke racquet cases by The Go-To.
